

# Covid Information pertaining to the Hot Lunch Program

## 2020-21

### Actions in place for lunch service:

- The Hot Lunch staff will be taking temperatures as we arrive at work. Temperatures will be logged. Anyone registering 100.4 or higher will be sent home.
- The Hot Lunch staff will wear masks and/or shields and gloves during prep work and serving.
- Trays and silverware will be handed out by the Hot Lunch staff as each student reaches the beginning of the serving line.
- The Hot Lunch staff will serve the lunch items to begin the year without volunteers.
- A shield will be in place at the serving windows.
- Students will be served lunch in the cafeteria in smaller groups, socially distanced and facing the same direction. Tables will be marked where students are allowed to sit.
- Tables, seats, and counters will be disinfected in between the dismissal of one group and the arrival of the next group.
- NO self-service Salad Bar is allowed. The option of a pre-made Salad & Sandwich will be available in place of the Main Entrée option and will be served at the main service line. All other vegetable and fruit offerings on the main lunch line are available for both meal options.
- NO self-service condiment table is allowed. Sauces and condiments will be offered in portion cups on the main service line.
- **In the event of any positive Covid case at the schools and a school shutdown of any sort, we will prepare and distribute grab-and-go style lunches (much like we did in the spring) for any family qualifying for free or reduced-price lunches. We will email instructions and information if this were to occur.**
- Should you have **any questions** regarding this information pertaining to the lunch program, please contact Carol Robers and Suzy Bittmann at [foodservicedirectors@ourbcs.org](mailto:foodservicedirectors@ourbcs.org) or call 262-763-1515 ext 244.

*Thank you for supporting our Hot Lunch Program!!*
